

IN MEMORIAL.

Mr. L. W. McNeill died at his home July 31, 1922. He had been in ill health for several years, but his death came as a shock to his many friends and relatives. He was born in Harnett county December 13, 1852. He came to Rockingham county when quite a young man and was married to Miss Francis McLeod. This union was born five children: one son, Mr. James L. died in 1902; Mr. W. F. and Miss Lizzie McNeill, of Roberdel, and Mrs. D. M. White, of Biscoe and Mrs. Joe Brown, of Clinton.

Rest on, dear friend, and take thy rest;
God in His goodness, knew what was best.

Your 1922 Taxes.

Mr. H. D. Baldwin, elected Nov. 7th, was duly sworn in as sheriff on Dec. 4th. However, the law requires that I keep the 1922 taxbooks and continue to collect those taxes, which, as you all know, were DUE IN OCTOBER.

Accordingly, I have an office now in the Grand Jury room, where either I or my assistants, Lee McDonald and J. F. Meacham, can be found. I respectfully ask that you come forward and settle your 1922 taxes, and save possibly later costs.

Very truly,

R. L. McDONALD.

Collector of 1922 Taxes for Rockingham County.

CHRISTMAS.

(Blanche Green, Ellerbe School.)

Christmas is the best holiday in all the year. All that it signifies is beautiful. The laughter and delight of children as they awake to see what "Old Santa Claus" has brought them during the night. Hearts are made glad by the coming home of those who have been away.

Christmas should be a time for real giving. Let us not forget to give something which will bring comfort into the lonely lives of some who are less fortunate than ourselves. Above all gifts should come the heart and without the expectation of anything in return. For this robs a real gift of its meaning and of the pleasure it might bring to both the giver and receiver.

Christmas is a fine time to check up and ask ones self if the year has been well spent not only in the matter of making money but by doing something worth while for others.

When He, in honor of whom we celebrate Christmas, was here on earth the one thing which was uppermost in His mind was to make the world better for those who were to follow. Of the best known of all Christmas expressions, "Peace on Earth, Good Will Toward Men," is the best.

AMERICA.

Ruby Price, Ellerbe School.)

If we want America to be an outstanding nation, we must learn to love and respect her. If we should learn to love our country as we do our homes, and the districts which surround us, then America's government will be everlasting; war will be less frequent. Every citizen should teach himself to appreciate the true splendors of national life.

America does not live as we do, a body grouped together seeking some common end, but she has lived a memorial past and still has a citizenship to look to in her probable future.

If anyone is not satisfied with America and do not think she is doing her part in the history of time sum up what the other countries are doing and see who is found wanting.

Indolence and ignorance are two chief perils which overhang the destiny of America.

Above all, study the best plan for America, and be true to what is best.

OBITUARY.

One of the saddest deaths in our community occurred on December 5, 1922, when Robert Page Beck, the little child of Mr. and Mrs. J. W. Beck, got burned from a match.

All was done that loving hands and physicians could do to save the child, but God in His wisdom saw fit to take little Kite, as he was nick-named by home-folks, because of his activity, on December 6th. He was the life of the home and was so sensible. It was often remarked that he would not be raised, because he had so much sense for a child of his age but God needed one more angel child. To light His shining band And so He bent His loving smile And clasped little Kite's hand.

I did not seem to find the right remedy until someone told me of
